

who we are

Macedon Ranges Sustainability Group is a not for profit, community based organisation driven by volunteers from across the shire.

We currently have more than 350 members and 3 active project groups focussing on local food, sustainable energy and community education. Our organisation includes a Committee and project groups that meet monthly to enable planning and co-ordination of activities.

our vision

To create and nurture sustainability by promoting local solutions and prosperity throughout the Macedon Ranges Shire

our objectives

To educate and assist the community to engage in activities, measures and lifestyle changes designed to:

- significantly reduce our greenhouse gas emissions
- reduce our ecological footprint;
- reduce our reliance on non-renewable sources of energy
- secure a local food supply and promote sustainable agricultural practices and
- enjoy a more secure and prosperous future.

what we do

- promote community awareness and action related to climate change and sustainability issues
- support sustainable locally-based businesses
- initiate projects that support local solutions
- foster links with other sustainability and like minded community groups
- lobby all levels of government in areas related to our stated vision and purpose
- auspice sustainability initiatives and smaller groups across the shire.
